Housing

Unfortunately EASD Pau Gargallo cannot provide accommodation facilities for students, but we can try to help you in your search.

You can contact the Barcelona Centre Universitari (BCU) reservation center to manage the housing for your stay in Barcelona:

<http://bcu.cat/en/>

On the Barcelona Student Housing Service website you can find information about different types of accommodation and how you can secure it.:

<http://www.bcn-housing-students.com/>

There are a lot of students who share their apartments in Barcelona or Badalona. Before your arrival or once in Barcelona you can exchange information with other students if you want to improve your first accommodation.
